

INSTARMAC®

Highway Maintenance Mortar Paving Tile Adhesives & Grout Commercial Flooring

How to find us

From Junction 10 of the M42, head east along the A5 towards Atherstone/Nuneaton. After half a mile at the traffic lights turn right onto Danny Morson Way in the Birch Coppice Business Park. Proceed straight on at the first island and take the last exit at the second island. You will then arrive at Instarmac's premises.

For deliveries and collections proceed to the barrier immediately in front of you. To gain access use the Intercom on the right of the gate.

All other visitors please park in the visitor's section located in front of the building and report to reception.

SITE SAFETY: All visitors are reminded that Instarmac operates a site wide **NO SMOKING POLICY**. Smoking on site is restricted to one location only: this will be advised in the Site Safety Guide presented on your arrival. In the interests of both hygiene and availability, we recommend that visitors bring along their own safety footwear if their visit will include the warehouse or production areas. All other PPE can be provided if required. Instarmac operates Quality, Health, Safety and Environmental management systems, which are aimed at ensuring your safety. We therefore politely request that all visitors abide by our process controls at all times whilst on site. If you have any specific needs or require further information please speak to your Instarmac contact prior to arrival.
