# TECHNICAL DATASHEET

## DESCRIPTION

- Cleans stains & refreshes floor tiles
- Biodegradable & environmentally safe
- Scented
- High concentrate formula to dilute as needed
- Everyday cleaner suitable for all hard surfaces
- Contains no acids, alkalies or bleaches
- Leaves surfaces clean & germ-free
- Environmentally Friendly
- Kills 99.9% of bacteria

UltraTile Porcelain Tile & Stone Cleaner is a high quality concentrated pH neutral stone cleaner suitable for use with all types of natural stone surfaces, floors, walls, shower rooms, countertops and much more.

This fast-acting stain remover is also acid-free so safe and easy to use. Ideal for bathrooms, kitchens and general cleaning, it leaves surfaces clean, fresh, deodorised and germ free.

## DIRECTIONS FOR USE

- 1) **Always perform a test in an inconspicuous area on-site to check suitability of product, prior to use - read these instructions fully before application. If you experience difficulties using this product, please contact our technical support team on the number above.**
- 2) Dependent on degree of soiling add between 1-8 capfuls of UltraTile Porcelain Tile & Stone Cleaner to 5 litres of warm water.
- 3) Apply the cleaning solution to the soiled area leaving 1-2 minutes before mopping or wipe surface clean.
- 4) UltraTile Porcelain Tile & Stone Cleaner dries streak free, no need to rinse.

**PLEASE NOTE:** Always try product in an inconspicuous area on-site prior to use. Heavy grime & dirt deposits, silt and sediment may require rinsing.

## COVERAGE

Up to 35m<sup>2</sup> per litre

When used in diluted form.

## POINTS OF NOTE

As a general purpose cleaner, this product is not designed to tackle stubborn deposits or damage/staining. For eliminating severe deposits, we recommend Xtreme Clean which is a more powerful, emulsifying formula. Always test this product in an inconspicuous area. It remains the responsibility of the end user to check the suitability of the product.

## STORAGE

This product must be stored in unopened bottles, in a frost free environment out of direct sunlight. Avoid frost. Ideal storage temperatures are between 5°C and 25°C.

## SHELF LIFE

Under the above storage conditions this product has a shelf life of 12 months from production date.

### Precautions:

H302: Harmful if swallowed. H319: Causes serious eye irritation. P102: Keep out of reach of children. P233: Keep container tightly closed. P262: Do not get in eyes, on skin, or on clothing. P264: Wash skin thoroughly after handling. P301+330+331: IF SWALLOWED: rinse mouth. Do NOT induce vomiting. P302+350: IF ON SKIN: Gently wash with plenty of soap and water. P305+351+338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. P333+313: If skin irritation or rash occurs: Get medical advice.

## HEALTH & SAFETY

Please ensure that appropriate PPE is used when preparing, mixing and applying products. Always wash hands before consuming food and make sure that materials are kept safely out of reach of children and animals. Please dispose of packaging and waste appropriately. A full Material Safety Data Sheet relating to this product is available to download online.

# TECHNICAL DATASHEET

## QUALITY ASSURANCE

All products are manufactured in a plant whose quality management system is certified as being in conformity with BE EN ISO 9001. Products are guaranteed against defective materials and manufacture and will be replaced or money refunded if the goods do not comply with our promotional literature. We cannot however accept responsibility arising from the application or use of our products because we have no direct or continuous control over where and how our products are used. All UltraTile products are sold subject to our terms and conditions of sales, copies of which may be obtained upon request.

## TECHNICAL DATA

Unit Size:	1L Bottle
Colour:	Blue
Application Temperatures:	5°C to 25°C
ph Value:	7-8

## USAGE GUIDELINES

Dwell Time Guidance:	N/A
Applications / Coats:	1-2 applications
Application Method:	Mop / Sponge / Brush
Dilution:	Varies, see directions for use
